Description: The elegant architecture of Nadivana combines southern Thai traditions with modern comforts and luxury. Overlooking the Andaman Sea and majestic limestone mountains, the resort provides an ambiance of relaxation and peace. All fully serviced one or two bedroom apartments offer spacious living with all amenities, and unobstructed pool and ocean views. Modern open plan designs integrate the apartments and make them spacious and light. Large sliding doors on all sides open to the large terrace, pool area and the garden, creating a large and bright living space.

The two pools (430m²) include submerged sofas, Jacuzzis, a swim-up bar and a water slide.

Opening date: Opened on December 25th 2007.

Guest rooms: A total of 12 apartments.

The four *single bedroom* apartments (48.3m²) are located on the ground floor and have direct access to the swimming pool. The terrace and bedroom offer unobstructed views of the entire pool area, which are only a few steps away. Bathrooms and an open kitchen that integrates with the main room, creates modern living and ample light. Wide sliding doors open to the terrace.

The four *two-bedroom* apartments (96.6m²) are truly generous in size. Located on the ground floor, they also offer unobstructed views of the entire pool area, along with direct pool access. The open plan design combines the living room and an open kitchen, bringing functionality and comfort together in a contemporary environment. Large sliding doors on all sides open to the pool area and the garden, creating large and bright living spaces. The master suite comes with an en-suite bathroom and private terrace, while the guest room has a private garden and full bathroom across the hallway.

A door connects to the single bedroom apartment making it possible for 11 people to live together.

The Penthouse (144.9m²) is our largest and most exclusive apartment and measures more than 140m². The private terrace surrounds the apartment and overlooks the pool, the Andaman Sea and limestone cliffs. The interior is identical to the two bedroom apartment, even though the penthouse stronger represents pristine surroundings and executive comforts.

Two penthouses connect and integrate the entire floor; accommodating up to 15 people.
